OLD BUSINESS

The Minutes for the April 30, 2005 Membership Meeting were still not available for review and will be presented at the April, 2006 Membership Meeting for approval. The Minutes for the April, 2005 Board meeting were also still not available; those Minutes will be presented for approval at the September 10, 2005 Board meeting. The Minutes for the June 18, 2005 Board Meeting were distributed, reviewed, and amended. Francis Johnson made a motion to accept the amended Minutes (seconded by Donna Paget). The motion passed unanimously.

Abel Hernandez confirmed that Michael Cruz has accepted the position of Assistant Conference Director for the 2006 ABEA Spring Conference.

In the absence of the Treasurer, Rochelle Thompson, Abel Hernandez reported that the Annual Report has been prepared, but per past practice, no written report will be submitted. Abel Hernandez has been unsuccessful in contacting Rochelle Thompson by e-mail, so will increase his efforts to contact her via telephone. He was able to confirm with Barbara Renner that she had sent Rochelle Thompson all of the Treasurer's materials; meaning that, once Abel is able to make contact with Rochelle, the signatory authority can be transferred to Abel and Rochelle.

Donna Paget reported her discussions with the Fiesta Inn regarding the 2006 Spring Conference. After some back and forth with the Fiesta Inn, she was able to confirm that they will hold the dates for the ABEA. Discussion ensued regarding a change of venue as well as registration fees. Donna Paget will give Francis Johnson and Michael Cruz all of her paperwork and research so they may continue investigation and present their findings at the September meeting. Donna then asked the Board Members to contact colleagues as possible workshop presenters. She is also in need of a keynote speaker. Suggestions of possible speakers were made by the Board and will be discussed again at the September meeting.

Donna Paget announced that her husband has taken a position out of state and she will not be able to continue as President-Elect. (see New Business)

In the absence of Linda Simmons, Donna Paget reported that she had put together Membership Packets for the Sunday, July 17, 2005 New Business Teachers meeting. Janet Gandy led the thank you to Donna for taking on this project. Donna Paget then reported that Glencoe McGraw-Hill has agreed to provide the Board with ABEA tee-shirts. However, since Donna was unable to obtain necessary information from the

Treasurer, the shirts were not ready for the Summer Conference. Donna will coordinate with Abel Hernandez to get the proper information to Glencoe McGraw-Hill and get the shirts to him before she leaves.

Francis Johnson and Michael Cruz reported that Donna Paget has everything organized for the 2006 Spring Conference and they will meet with her after the Board Meeting to transfer all the materials. They will then continue researching possible other venues and come up with suggestions for the registration fee. They will report their results at the September 10, 2005 Board Meeting.

Chris Leibelt-Garcia brought the ABEA photo album for everyone to peruse. She noted that the album will begin again with this week's Summer Conference. While she is not the official historian as Abel Hernandez has all of the ABEA historical records and Minute books, Chris confirmed that she will continue to maintain the historical photo albums.

Elaine Sombrero said that she and her local CTE Director were planning on meeting during this week's upcoming conference.

Jaci Jones noted that she has established a recruiting goal of contacting ten teachers each week.

In the absence of Willie Jones, Web Master, Donna Paget agreed to update the ABEA Web Page before she leaves. Discussion ensued as to various methods of assisting Willie in updating and maintaining the Web Page. Abel Hernandez said that he would get in contact with Willie regarding the Web Page.

Suzanne Crumrine reported that the ABEA newsletter had to be done quickly and apologized for the color and the bit of off-center. She gave each Board Member a copy of the newsletter and noted that it will be included in the New Business Teacher Packet to be distributed on Sunday, July 17, 2005. She then advised the Board Members that she would like an article from each of them. The deadline for the Fall Newsletter is September 30; and all Winter articles are due by November 30. Chris Leibelt-Garcia will take pictures for the newsletters. Discussion then ensued regarding the adding advertisements to the newsletter, but no consensus. Sue Crumrine then noted that she will put the current and future Newsletters on the Web Page. Sue further reported that, although she will not be able to attend the September Board meeting, business cards and letterhead will be completed in and distributed at that meeting.

Dr. Martha Rader reported that Dr. Gryder is ready to get going on the ABEA Journal, but needs at least one more good article.

Abel Hernandez reported that Sally Powers has accepted the position of Legislative Committee Chair, but could not be at today's meeting.

Kris Sheets noted that he needs more chairmen for the 2008 WBITE conference. He asked Board members to assist in passing out materials at the Monday, July 18, 2005 ABEA luncheon. He also noted that there would be an "artichoke pull" or some other "pull" at the luncheon to raise scholarship money. The theme of the 2008 WBITE conference is still to be decided and the 2005 WBITE Hawaii conference registration is currently online. Abel Hernandez, Dr. Rader, and Kris Sheets will attend the conference

and promote the 2008 Arizona conference. Kris Sheets noted that it is a good idea to begin reserving rooms at the Scottsdale Plaza.

Dr. Janet Gandy distributed materials and discussed the new delivery system for CTE. She noted that Patti Beltram represented the ABEA Board and submitted input from ABEA members to the State Department of Education Advisory Committee.

Dr. Gandy made note of some important points in her handout:

- a. research is being presented on July 19 to the State Board of Education regarding assessments. Dr. Gandy will brief the Board at the September meeting. The resulting impact is that, as of the 2007-2008 school year, students will sit for end of program technical assessments instead of tracking competencies.
- b. Dr. Gandy advised the Board that her priority is to have all business teachers sit for the tests and experience it for themselves.
- c. She confirmed that this new system will be implemented in 2007-2008.
- d. The competencies will become essential indicators (see attachment). The process is to merge the Level I and II competences; contextualize; then identify technical assessments.
- e. the Department of Education Website has a list of potential assessments. The research being conducted currently will determine which assessments may be appropriate. There is a team in place consisting of teachers, business members and statisticians. However, Dr. Gandy is looking for additional teacher voices to input classroom reality issues into the evaluation.
- f. Dr. Gandy acknowledged that there are funding issues still being discussed.

Discussion ensued regarding evaluation of so-called "soft skills" now being demanded by businesses. Dr. Gandy then discussed the ranking order in her handout and noted that BMAS is number 2 and BITS (now ITS) is number 3. Dr. Gandy continued her report with discussion of the upcoming week's events.

Luncheon Break 12:23 p.m. to join the ongoing FBLA Advisers' meeting and luncheon in order to interact and network. The meeting resumed at 2:00 p.m.

Dr. Janet Gandy continued her report by noting that Nori Cannell has agreed to Chair the 2006 AZCTE Summer Conference. Dr. Gandy will speak with the other members to determine whether or not they wish to continue.

Dr. Rader began a discussion of recruitment ideas. Various views were presented and discussed including (but not limited to) mentoring of new members, keeping the Website updated, discounts for full-time college business education students, one day conference workshop scholarships, etc. Further discussion was tabled to the September meeting.

NEW BUSINESS

I. Due to the departure of Donna Paget as President-Elect, discussion ensued as to how to proceed in determining a replacement. In the absence of Damita Temper, Past-President, Janet Hill made a motion (seconded by Neala Sillman) that:

An ad hoc committee be formed and chaired by Damita Temper to find and recommend a replacement for the President-Elect position vacated by Donna Paget.

After discussion, the motion passed unanimously.

II It was re-confirmed that Abel Hernandez will contact Rochelle Thompson, Willie Jones and Damita Temper regarding the above-noted issues.

There being no further business to come before the board, upon motion duly made and seconded, the meeting was adjourned at 2:30 p.m.
